

Job Details and Requirements

Joint Environmental Health Service

Bored with what you're doing? New Experiences? New Opportunities?

If you are looking to change discipline or are a newly qualified Environmental Health Officer (EHO) or are currently seeking registration and are enthusiastic with a “can do” approach we would welcome your application.

The busy Joint Environmental Health Service, serving the semi-rural district communities of Bolsover and North East Derbyshire has six exciting opportunities within their high performing Commercial and Housing and Pollution Teams. It's a great place to either start your environmental health career or build on experiences that you have already.

The districts are an ideal place to live, work and visit and are situated between the Peak District National Park and Sherwood Forest and have excellent access to the M1 motorway network with ease of access to Sheffield, Derby and Nottingham.

Applicants must be able to work flexibly across the Teams within the Joint Service, to provide resilience and meet service demands as and when required.

Post: 3 x Environmental Health Officers (Commercial)

Salary/Grade: £23,836 to £31,371 per annum (career graded salary)

Hours/Days: 37 hours per week

Full time/Permanent

Location: NEDDC, Mill Lane, Wingerworth, Chesterfield, S42 6NG

Working in the Commercial Team as a Food Safety EHO, carrying out routine food hygiene and food standards inspections, health and safety inspections, animal licensing and private water supplies, responding to service requests, food poisoning outbreaks and infectious disease investigations.

Contact Details

For an informal discussion about the Commercial Posts, please contact Helen Rawson – Senior Environmental Health Officer on (01246) 217849 or helen.rawson@ne-derbyshire.gov.uk

JOB DESCRIPTION

Job title and post number	Environmental Health Officer
Service Area and Directorate	Joint Environmental Health Service Place
Reports to	Senior Environmental Health Officer (Commercial) Environmental Health Manager
Direct reports	None
Grade	Career Graded Grade 8 &10, SCP 25 - 34
Salary range	Grade 8 £23,836 to £26,317 per annum (Bar - Qualified EHO with EHRB Pending) Grade 10 £28,785 to £31,371 per annum (EHRB Registered)

Job purpose

To undertake the full range of duties and responsibilities within the Commercial Team.

To undertake the full range of duties and responsibilities, subject to the necessary skills training and experience, within other Sections of the Department as and when required in order to meet service demands.

Duties and responsibilities

1. Deal with complaints and service requests received and undertake any necessary, site visits, meetings and research to ensure an effective and thorough investigation relating to: Food Safety, Health and Safety, Infectious Disease Control, Animal Licensing and Private Water Supplies.
2. Complete any correspondence and reports required throughout investigations and prepare statutory notices and prosecution files as appropriate.

3. Undertake programmed and reactive inspections of premises and vehicles where appropriate, in accordance with relevant environmental health legislation, guidance and powers.
4. Collect evidence and conduct interviews and investigations in accordance with formal procedures, including Police and Criminal Evidence Act 1984, Human Rights Act 1998 and all other relevant legislation.
5. Represent the Council and attend meetings of the Council, Courts of Law, Public Inquiries and other meetings etc. in connection with Environmental Health duties.
6. Carry out routine and non-routine monitoring and sampling as and when required including relevant data analysis and interpretation where necessary.
7. Monitor and maintain all equipment to ensure it is within safe working order and identify any repair or replacement needs as necessary.
8. Provide relevant advice and support to any stakeholder in relation to legislative requirements, codes of practice and guidance.
9. Assess reports and documents as required by consultations and investigations and compile any necessary correspondence/reports, providing appropriate advice or recommendations.
10. Manage a personal caseload and effectively plan and programme that workload to achieve performance targets and service standards.
11. Ensure all records are kept up to date and accurate, including the Environmental Health database, paper records and any other recording methods deemed necessary.
12. Provide clear, concise and accurate reports including committee reports with recommendations and any other relevant documents as required.
13. Contribute to the development of and participate in projects, initiatives and campaigns as required.
14. Develop and maintain positive working relationships with other departments of the Council, external agencies and organisations, to ensure partnership working in service delivery including the sharing of intelligence or making appropriate referrals.
15. Act as lead role for a specified area within Environmental Health as directed in accordance with qualifications and experience.

16. Keep up to date with all relevant legislation, practices and policies and contribute to the development of any service changes and improvements.
17. Ensure a prompt and effective response in the event of any Environmental Health emergencies.
18. Support and promote a strong customer focussed culture within the service and work to increase community and customer/user involvement.

Working conditions

1. The post holder is required to work outdoors and will incur regular exposure to very disagreeable, unpleasant or hazardous situations.
2. The job requires direct involvement both in person and by telephone with vulnerable and challenging clients and with people whose personal circumstances or behaviour could place emotional demands on the post holder or cause emotional upset.
3. The work may involve dealing with people under stressful and emotionally charged situations.
4. The work may involve adult or child protection issues or dealing with people with mental health or physical disabilities, so awareness of safeguarding issues are important.
5. Serious verbal abuse, aggression or other anti-social behaviour from members of the public is an unavoidable feature of the job.
6. The post holder will be expected to work flexibly and attend meetings/inspections/events out of normal office hours as the need arises.
7. The post holder is required to be able to inspect at height, climb ladders, enter confined spaces and work with drainage where appropriate and within strict compliance of all Health and safety procedures.

Corporate Duties and Responsibilities

To familiarise yourself with the principles of, and key Council documents and policies relating to:

1. Health and Safety at Work.
2. Equality and Diversity.
3. Data Protection (Employees must at all times abide by the principles of the Data Protection Act 1998 and guidance provided by the Council in the form of policies and procedures).
4. Customer Service.
5. Community Safety (Section 17 of the Crime and Disorder Act requires the Authority and individual employees to consider how Community Safety can be improved when the functions of the Authority are exercised).
6. Safeguarding Vulnerable Adults
7. Child Protection Policy.
8. Risk Management.

This job description sets out a summary of the key features of the role. It is not intended to be exhaustive and will be subject to review (on an annual basis).

Any other duties commensurate with the grade as determined by management.

Any job description provided to you by the Council will not form part of your contract of employment.
